DEAR MS. CENCI:

I am sending you amap of the city of Leonard, Tex. Also, I am enclosing a map of all my property, including my shop location. My shop sets on 2 lots-- 100 ft. wide & 180 ft. long. Lot numbers 7& 8 Blk. 14 Collage edition. I also own# lots 3, 4, 5 & 6 blk#.14. The front of my shop sets approximatly 50 ft. from Poplar St. The south side of my shop sets approximatly 50 ft. from the alley. Each x on this map represents a house. My shop is 30 ft. wide & 48 ft. long. I burn about , 200 to 250 lbs. of copper at a time. I will lose about 4 to 12 % per burning. It takes 1½ to 2 hrs. to burn a barrel of copper (clean). I am sending you one of my gas bills. Also I am sending you a sample of the type of copper I burn. I avereage burning, 1 day a week. I hope this helps you.
